CAPABILITY STATEMENT

CAPABILITIES

The MFA's Department of Emergency Medicine has provided healthcare staffing services throughout the U.S. and across the globe. The Department sponsors a broad range of clinical, educational, research, and consulting initiatives in the areas of Emergency Medicine, Emergency Management, and Telemedicine. The Department is committed to service excellence in patient care and education, with a focus using skills that are intrinsic to emergency medicine to provide value to new programs and configurations in the healthcare field. The MFA is committed to improving our local community as well as providing a multitude of services throughout the world.

MEDICAL EXPERTISE

- Program Development
- Contract Services
- Clinical and Remote Staffing
- Consultative Services
- Operations Management
- Emergency Management
- Emergency Medical Services
- Training and Education
- Research

OVERVIEW

The GW Medical Faculty Associates Inc. (MFA) is the largest multi-specialty physician group practice in Washington, DC. The MFA is a not-for-profit organization that supports the education and research missions of the George Washington University School of Medicine (University), but is a separate corporation from the University. The MFA employs over 750 clinicians who treat more than 4,600 patients per day in its 47 medical specialties. The Department of Emergency Medicine is a full academic department in the School of Medicine and was the seventh academic department of emergency medicine in the U.S.
